

# 10<sup>TH</sup> ANNUAL EMSCO MEETING 2023

October 20 & 21

Nice

## PROGRAM

**EMSCO**

European  
Myelodysplastic Syndromes  
Cooperative Group

# 10<sup>th</sup> EMSCO ANNUAL MEETING 2023

## October 20

### COOPERATIVE CLINICAL TRIALS (EMSCO)

- 2 pm **IDEAL:** Lionel ADES (France)  
2.15 pm **IDIOME:** Marie SEBERT (France)  
2.30 pm **COMBOLA:** Lionel ADES (France)  
2.45 pm **SINTRA-REV:** Maria DIEZ CAMPELO (Spain)  
3 pm **CMML clinical trials:** Raphaël ITZYKSON (France)  
3.15 pm **LUSPA+:** Katarina GOTZE (Germany)  
3.30 pm Lower risk MDS with predominant thrombocytopenia: **Valeria SANTINI** (Italy)  
3.45 pm **HV89:** Arjan VAN de LOOSDRECHT (Netherlands)

4 pm **COFFEE BREAK**

### OVERVIEW OF CLINICAL TRIALS

- 4.15 pm **GFM:** Pierre FENAUX (France)  
4.30 pm **D MDS:** Uwe PLATZBECKER (Germany)  
4.45 pm **FISM:** Valeria SANTINI (Italy)  
5 pm **GESMD:** Maria DIEZ CAMPELO (Spain)  
5.15 pm **HOVON:** Arjan VAN de LOOSDRECHT (Netherlands)

### DISCUSSION ABOUT UNMEET NEEDS, FUTURE CLINICAL TRIALS, FUTURE FUNDAMENTAL RESEARCH

- 5.30 pm What trials can our cooperative groups suggest in lower risk MDS?  
**Lionel ADES, Uwe PLATZBECKER, Valeria SANTINI, Maria DIEZ CAMPELO**  
5.45 pm What trials can our cooperative groups suggest in higher risk MDS?  
**Pierre FENAUX, Uwe PLATZBECKER, Anna ALFONSO** (Spain)  
6 pm What trials can our cooperative groups could suggest in TP53 MDS?  
**Thomas CLUZEAU** (France)  
6.15 pm Can we have common attitudes before allo-SCT in MDS?  
**Marie ROBIN** (France), **Uwe PLATZBECKER** (Germany), **David VALCARCEL** (Spain)  
6.30 pm How could we integrate flow cytometry in diagnostic and prognostic evaluation of MDS and CMML? **Arjan VAN de LOOSDRECHT** (Netherlands), **Dorothee SELIMOGLU-BUET** (France), Oriane **WAGNER BALLON** (France)  
6.45 pm Round Table: Discussion about the impact of new classification on clinical trial design

8 pm **MEETING DINNER**

## October 21

- 8:00 am Systemic mastocytosis associated with haematopathy **Olivier HERMINE** (France)

### COLLABORATIVE BIOLOGICAL STUDIES

- 8.30 am Targeting iron metabolism deregulation to improve erythropoiesis in low risk myelodysplastic syndromes **Michaela FONTENAY** (France), **Lionel ADES, Valeria SANTINI**  
8.55 am Biological approaches looking for new therapeutic strategies in CMML **Aline RENNEVILLE, Christophe WILLEKENS** (France)  
9.20 am Inhibition of lysyl oxidases synergizes with 5-azacytidine to restore erythropoiesis in myelodysplastic neoplasms **Daniel NOWAK** (Germany)  
9.50 am MDS/CMML and autoimmune and inflammatory diseases (excluding VEXAS) - what relationship? **Lin Pierre ZHAO, Nicolas DULPHY** (France)  
10.20 am MRD in MDS **Arjan VAN de LOOSDRECHT** and coll.

10.45 am **COFFEE BREAK**

### DISCUSSION ABOUT UNMEET NEEDS, FUTURE CLINICAL TRIALS, FUTURE FUNDAMENTAL RESEARCH

- 11.00 am Therapeutically targeting R-Loops and replicative stress in splice-factor Mutated MDS **Michaela FONTENAY, Daniel NOWAK**  
11.20 am Harmony projects **Valeria SANTINI, Andrea KUENDGEN, Pierre FENAUX**  
11.50 am Common artificial intelligence projects in MDS? **Alexander OESER** (Germany)  
12.10 am Is there a place to work on clonal hematopoiesis? **Jean Baptiste MICOL** (France), **Klaus METZELER** (Germany), **Olivier KOSMIDER** (France)

12.30 am **LUNCH**

### Scientific Organization

**Pr Thomas CLUZEAU** - CHU - Nice  
**Pr Pierre FENAUX** - APHP St Louis -Paris  
**Pr Uwe PLATZBECKER** - University - Leipzig

### Logistical Organization

**Sylvie CUVILLIER** - Canopée – [cuvillier@canopeedeveloppement.com](mailto:cuvillier@canopeedeveloppement.com)

# Useful Information

## Meeting and lunch

### AC Hotel by Marriott Nice

59 Promenade des Anglais, entrance Rue Honorée Sauvan

06000 Nice, France

Tel: +33 4-93 97 9090

## From airport :

**Direct Tram** between Terminals 1-2 to Centre Universitaire,  
stop located 150m to hotel

## Nearby

### Bus Station

Ligne d'azur - Massena

Grosso CUM - Promenade

### Subway Station

**Tramway Line 2** - Centre Universitaire Méditerranéen

**Train Station** - Nice Ville

## For further information Contact:

**Sylvie Cuvillier** +33 6 77 99 01 01
